REGISTRATION
All students may register from April 15, 2013 until the day before classes begin and in some cases the day of class. Early registration is recommended because courses may close and courses are canceled if there is not sufficient enrollment.

ELIGIBILITY
All students must meet any prerequisites for courses to be taken during Summer Sessions. Undergraduate students from other colleges or universities may register for Lafayette College’s Summer Session provided they furnish proof of prerequisites from their own institution. We suggest that you contact the Registrar or Dean at your school to ensure that credits earned at Lafayette may be applied toward your degree. Students from other institutions should complete the enclosed registration form and return it to the Registrar’s Office, Room 215 Markle Hall. Registrations may be submitted up to the day before classes begin.

Lafayette College students must complete the enclosed registration form and return it to the Registrar’s Office, Room 215 Markle Hall. All completed registrations for Lafayette College students must be signed by an adviser assuring that prerequisites have been met and the course meets the requirements of the degree program. Additional registration forms may be obtained from the Registrar’s Office.

HOUSING
On-Campus housing is available for students enrolled in summer courses. Please consult the Residence Life website for summer housing fees, registration deadline, and general information about summer accommodations. Housing registrations must be received in accordance with the published registration process and fees must be paid in advance of occupancy.

TUITION AND FEES
Tuition is $1,960 per course, including library use and recreational activities. A $120 non-refundable fee will be assessed for studio art and laboratory science courses. The tuition for internships is $250. The cost for auditing a course, which must have instructor’s approval, is $545. All audits must be arranged prior to the beginning of the course.

Payment is required by the first day of class. Lafayette students will receive a tuition bill in the mail if registration is received at least one week before the start of class. Lafayette students registering within one week of the beginning of classes must submit payment with their registration. Students may use MasterCard or Visa for payment of tuition and textbooks. Arrangement for tuition payment by credit card should be made before the first day of class to avoid delays in processing. The Controller’s Office, 2nd floor Markle, will accept credit card payment by telephone, (610) 330-5141. Payment by check may be mailed to the Controller’s Office, Lafayette College, 202 Markle Hall, Easton, PA 18042-1779.
WITHDRAWAL
If it becomes necessary to withdraw from a course, a withdrawal form obtained from the Registrar’s Office must be completed. Merely ceasing to attend, even if notice is given to the instructor, does not constitute an official withdrawal. Students who do not follow the established procedures for withdrawing from a course will be charged for the course and receive a grade of “F”.

Students who withdraw after the second class meeting will have a “WD” recorded on their transcript. Withdrawals requested after the following dates are not normally allowed and will require a petition to the Faculty Committee on Academic Progress:

- **Summer Session I:** May 27, 2013
- **Summer Session II:** July 8, 2013

REFUND POLICY
The refund policy reflects the final regulations included in the Higher Education Amendments of 1998. This policy covers both tuition and room fees and is described more fully in the College online catalog. A full refund will be issued if a student withdraws on or before the first day of classes. Withdrawals within the first day of classes and the 60% completion period will be made on a pro-rated basis and will be based on the number of days remaining in the summer session divided by the total number of days in the session. The refund calculation requires that holidays and weekend days be included. No refund will be made after the 60% completion period for each of the sessions; this date is listed below.

- **Summer Session I:** May 27 – July 25, 2013
  - End of refund period is: June 19, 2013
- **Summer Session II:** July 8 – August 16, 2013
  - End of refund period is: July 31, 2013

COURSE DESCRIPTIONS

Lafayette conducts a curriculum based on the 4-4 course of study. Each course credit is equivalent to four semester credit hours.

ANTHROPOLOGY & SOCIOLOGY

A&S 103 - Introduction to Sociology
This course takes a social scientific approach to the study of human social relationships. Its purpose is to introduce the basic concepts, theoretical orientations, and methods of the sociological perspective. Topic areas include the socialization of personality, culture, urbanization, alienation, deviance, inequality, and the rationalization of society.

Schneiderman

A&S 210 Contemporary American Society
This course provides a critical understanding and analysis of modern American society, culture, and state. The approach is interpretive and thematic, examining individualism, community, ethnicity, work and leisure, technology, politics, the state, etc. The course builds on introductory level perspectives, applying them in a more detailed and focused manner. Prerequisites: A&S 102 or 103, or permission of instructor

Schneiderman

A&S 216 Class, Status, and Power
This course focuses on the development, application and redefinition of the concept of social class as related to contemporary society. Power and status relations, social mobility, and mass society will be topics of special interest. [W]
Prerequisite: A&S 102 or 103, or permission of instructor

Schneiderman

FOREIGN LANGUAGES & LITERATURE

FREN 103 Accelerated Elementary French
Accelerated Elementary French is an intensive program for high beginners. This course takes a communicative approach to developing reading, writing, speaking, and listening skills, while providing a diverse array of on-line ancillary materials to enhance the student’s understanding of French and Francophone cultures. Students wishing to take this course should consult with the instructor in order to determine whether it is appropriate for them. In addition to four hours of class instruction per week, students will be expected to actively engage in self-directed learning, both on-line and in the Language Resource Center.

Lalande

SPAN 101, 102 Elementary
This sequence is for beginners, covering the fundamentals of spoken and written language through the development of reading, writing, speaking, and listening skills. Class/Laboratory Prerequisite: Novices only. Students with two or more years of high school Spanish are ineligible to take Spanish 101. These students are encouraged to enroll either in Spanish 111 (fall semester) or, if they find the intermediate sequence too challenging, in Spanish 103 (spring semester only).

Shupp

SPAN 111,112 Intermediate
Review and expansion of basic grammar and vocabulary. Short literary and cultural readings. Development of reading, writing, listening and conversational skills as well as a deeper understanding of Hispanic cultures. Class/Lab Prerequisite: Students with two or more years of high school Spanish should submit their AP,IB or SAT II score to the Registrar or take the placement test administered by the Department. First-year students should take the online placement test prior to registration. Continuing students should make an appointment with the Foreign Languages & Literatures Department Head to take the exam prior to registration.

Shupp
PHILOSOPHY

PHIL 101 Introduction to Philosophy
An introduction to the methods of philosophy including logical analysis and traditional philosophical problems such as the nature and extent of knowledge, the dilemma of the belief in god, personal identity, and the mind-body problem.

Gildenuys

RELIGION

REL 101 Religions in World Cultures
This course introduces students to the academic study of religion through a consideration of Buddhism, Christianity, Hinduism, Islam, Judaism, and traditional African religions. Different forms of religious experience and belief are examined along with the myths, rituals, concepts, and symbols that convey them. Various methodologies and source materials are used.
