• **Internships must be approved by submitting this form in advance of your work experience. No credit will be given ex post facto for internships.**
• Students will be permitted to complete multiple internships for credit, but only one internship course credit may count towards the minimum credits required for graduation.
• Internships are available to all students upon completion of their first year, including rising sophomores. Internships completed in the summer between the first and second year may count for credits towards graduation at the discretion of the internship department / program.
• Students earning stipends or other types of compensation are eligible to receive internship credit.
• Please check with the Registrar's Office to determine tuition for the summer/interim internship.
• Students will earn credit for INT 200, but it does not count as one of the 32/36/40 course credits required for graduation. INT 200 is supervised by a faculty member under the direction of the Registrar.
• All Internships are graded on a Credit / No Credit basis.
