AP and IB Exam Information

Fall 2017 Award Policy

Lafayette participates in the Advanced Placement examination program of the College Entrance Examination Board (CEEB). Candidates interested in receiving course credit and placement in advanced classes should take the AP examinations given in May of each year.

A score of either 4 or 5 on most examinations, and 3 or above on selected others, will earn course credit and advanced placement. The Lafayette faculty determine score assignments each spring/summer.

It is possible to receive sophomore standing with sufficient credit and approval.

Lafayette cannot grant any AP credit without possession of the official AP score report from the College Board before the end of the student's sophomore year at the College.

The credit awards for the 2016–2017 academic year are as follows:

TEST	SCORE	CREDIT	COURSE	NOTE

F – Course is equivalent to CS 104, 105, 106 sequence.

G – Course meets the Humanities requirement in the Common Course of Study.

INTERNATIONAL BACCALAUREATE CREDIT

The official results of the higher-level (HL) examination of the International Baccalaureate are considered for academic course credit at Lafayette College. Acceptable score levels for the IB program are 5 or higher in most subjects. Each department will determine the specific amount of credit, but in general, credit awards follow the AP listing above. No credit is awarded for subsidiary-level (SL) examinations. The full IB Diploma may qualify the holder for additional credit.

GCE A-levels are reviewed on a course by course basis.

Lafayette College does not award credit for the CLEP examination.
