ADVANCED PLACEMENT (AP) EXAM CREDIT

Lafayette participates in the Advanced Placement examination program of the College Entrance Examination Board (CEEB). Candidates interested in receiving course credit and placement in advanced classes should take the AP examinations given in May of each year.

A score of either 4 or 5 on most examinations, and 3 or above on selected others, will earn course credit and advanced placement. The Lafayette faculty determine score assignments each spring/summer.

It is possible to receive sophomore standing with sufficient credit and approval.

Lafayette cannot grant any AP credit without possession of the official AP score report from the College Board before the end of the student's sophomore year at the College.
